Curriculum Overview

BOYS

1. 1v1 attacking
2. Passing and Possession
3. Principles of Defending
4. Club Coach and AGTC will decide on topic based on teams performance
5. Shooting
6. Crossing and Finishing

How the Sessions work?

Each Session plan is to be used as a guide and concentrates on a particular topic. It is up to the coach to look at adapting the session's suitability to the conditions, age and ability of the players.

Club Coaches are encouraged to participate in each session run by the AGTC, the participation levels of each club coach will differ and will depend on their confidence and expertise. This participation will increase over the course of the season and for the last session the club coach will be presented with a topic where they will have to design a conduct a session based around that topic.

- Players can only use a certain part of their foot
- Players must disguise their intentions going through the triangle by looking to go through one side and changing direction to go through the other

TECHNICAL EXERCISE

Organisation

Set up 2 rows of cones as shown in the diagram. Split players into 2 groups with equal amounts of players either side of each line of cones (see Diagram). Players dribble through the cones on reaching the centre the player will fake towards the white cones and exit through the blue

Progression

- Players can only use a certain part of their foot
- Players pass to the next player in line
- Introduce competition 1st team through the cones wins.

SKILL PRACTICE

Organisation

Set up a 15x15yd grid with 2 small goals either end with a small goal about 10yds away (see diagram). Between the 2 gates set up a ladder or cones and split players into 2 teams and have them line up behind the ladder. On the coaches command players perform an exercise as set by the coach through the ladder, the coach plays a ball into the area and the players compete and look to dribble through one of the 2 gates to have a free shot on goal.

Progression

- Vary the exercises through the ladder

Use Cones if no agility ladder available.

SSG

Organisation

Set up a 30x20yd field with 4 small goals marked out by cones, players play a 4v4 game and can dribble through either of the 2 goals to score.
